

St Oswald's Update

March 2023

Update for PC

- On behalf of the members and community of St. Oswald's Centre, the Board would like to thank the PC for approving the Centre's application for funding and awarding a partial grant of £4,021. This represents much needed and practical support to continue our efforts to bring back the St. Oswald's Church and Hall to full use for the benefit of the school and wider community.
- St. Oswald's would also be keen to carry on a conversation on further, dedicated fundraisers, if the Parent Forum and Parent Council wish to continue to offer support
- Subject to approval from the contractors, St. Oswald's Centre will be holding a Community Celebration on or around the Coronation weekend in May. A volunteer group has been set up to organise the celebration and details will be shared in due course.
- The Chair of St. Oswald's was due to meet with the Head of BPS on 28 Mar 2023, but it had to be rescheduled due to a sudden change in the school's teaching schedule for which the Head had to step in
- St. Oswald's is engaging with the PC to set up PC representation on the St. Oswald's Board.
