

A+ Group update
25th August 2021

Great start in June 2021, thank you to the Parent Council and school for ongoing support to publicise this across the school community.

Very pleased to see posters in Mandarin, Urdu & Polish language up on the school gates as of last week. Thank you to Carol and the school admin team for putting these up.

For 2021-2022 academic year:

A+ Group will meet **6pm-7pm on the last Wednesday of each month** (excluding December)

- 29th Sept (online)
- 27th Oct (in school? TBC)
- 24th Nov

- 26th Jan 2022
- 23rd Feb
- 30th Mar

- 27th Apr
- 25th May
- 29th June

Outreach by facilitator:

4 weeks prior to 29th Sept will be focussed on outreach & networking, through informal channels (e.g, 'word of mouth', speaking with individuals, speaking with Parents & Carers who have come forwards to help with networking in other languages).

In addition, as Covid-restrictions ease, handing out flyers will begin again.

Publicity support:

Ongoing publicising of the group and meeting dates would be helpful from the Parent Council through Class Reps communications, social media platforms, and ongoing mention in meetings.
